Our 80th Year, 1939-2019

Another year - almost in the books

Holiday greetings to all fellow Lieblingers! With Thanksgiving fast approaching and Christmas right around the corner, this is an exciting time of year. Families who may not get together much throughout the year usually do so around this time. We look forward to these days with our loved ones. Though things can get hectic and often chaotic, we still need to make sure to relax and appreciate each other's company. That's exactly what I hope we all do in a couple weeks, at our annual Lieblinger Christmas Party! Sunday December 1st at Manzo's Banquets in Des Plaines. We are planning a truly fun day not only for the kids, but also for the adults. Many traditions will continue but there are some surprises in store that I'm sure everyone will get a kick out of. Of course, we are expecting Santa to stop by with presents for the kids. The deadline for RSVP's is Sunday November 24th. So, if you haven't yet contacted me, send me a quick email (address below) by Sunday. Details are provided in the Meeting Summary, below. I hope to see you there. Our last meeting on November 2nd was also our last club meeting of the year. This is also the Annual General Membership Meeting when our elections are held. I am pleased to let you know that the entire Leadership Team of the club has agreed to stay on for another year. I am proud of the team we have in place. Everyone not only does their job extremely well, but always looks for opportunities to help others so that our club continues to be strong. I am grateful for their contributions to your club!

One picture that was missing in our Pictorial, was a picture of our Chefs, Joe and George Schubkegel (unfortunately we did not get a good picture) The Lieblingers have always been known for their delicious homemade goulash at the Kirchweih....so thank you Joe and George for upholding this tradition
