Our 80th Year, 1939-2019

Celebrate

Your club, the Lieblinger Vergnügungs Verein of Chicago, is about to turn 80. We are the longest established Lieblinger club in the world! Now that's something worth celebrating and you are all invited – and encouraged – to join us for our Anniversary Party on Sunday May 5th. Your officers and committee members are putting together an exciting event recognizing this special milestone. The luncheon will be held at Manzo's Banquets in Des Plaines – the same venue where we have our annual Christmas Party – and will feature music by the Johnny Wagner Band for dancing and entertainment. Starting at 12 Noon and ending at 4:00, we anticipate a fun event for all ages, and we hope you can all attend and support the club. Reservations and prepayment are required so please contact me at my email address (below). Additional information is available in the attached announcement flyer.

Looking beyond our 80th Anniversary, don't forget to mark your calendars for our annual picnic. On August 11, after a short business meeting and grilled meats with tasty summer salads and side dishes, we'll have plenty of fun games and activities for kids of all ages. Please plan to join us for what has become a new tradition.

Dessert was sponsored by George and Patty Schubkegel in celebration of their 41st Wedding Anniversary. Johanna Swiontek reported on the paid membership dues received and reminded everyone to pay their yearly dues. A motion was passed to send a check to Manzo's to secure our reservation for the annual Christmas Party. The cost of the 80th Luncheon/Dance Anniversary Celebration was discussed. A motion was passed to charge \$35 per adult and \$15 for children (3-11) to cover the Club's cost for this event. Reservations and payment need to be made before April 26th to Rick Stumpf. A motion to place an ad for our 80th Celebration in the Nachrichten was passed. A Cultural Display will be set up at the Anniversary Celebration. Any items that members would like to have displayed should be brought to the next meeting. Please contact Vicky Stumpf directly for any questions at vicky@vickystumpf.us. Two Lieblinger church ornaments and/or bookmarks were passed around to members by Vicky Stumpf so that members could decide if the company should do the engraving on the back or to attach a printed sticker. A motion was passed to have the company making the ornament do the engraving. A motion was also passed to place an order for these ornaments so they will be available for purchase at the 80th Anniversary Celebration. Cheryl Falk, our new Web Site Master, reported on the Lieblinger web site and suggested that we change our web server so that we have more control over the site. Cheryl also informed members that this would give us more functionality and visibility. A motion was passed to change our web site host company.
