Our 83<sup>rd</sup> Year, 1939-2022

## President's Message:

### Happy New Year!

Well, we've done it. We turned the page on the calendar and can now put 2021 behind us. As a club, we started the year without being able to conduct any in-person monthly meetings though the Leadership Team continued to meet monthly via remote mobile apps. Then, in May, we resumed our regular get-togethers and haven't looked back. We have seen more and more Members attending these gatherings – which is good to see. Everyone seems to be enjoying the "return to normal." Our club continues to be strong, both financially as well as in membership numbers. We have added numerous new Members over the past year. It's heartwarming to see the next generation joining us and sharing our heritage and the legacy of our parents and grandparents. It is a rich heritage and it's important to pass it on generation to generation. Our traditions are returning, too. Our Christmas Party at Manzo's drew a nice crowd. Ninety adults and children attended. I am confident that we will be able to reinstate our annual Kirchweih in October. Mark your calendars for October 15<sup>th</sup>! But don't wait until then to meet up with old Lieblinger friends. Come join us at our Monthly Meetings. The formality of the business portion of the meeting is relatively short. Most of the time is spent enjoying each other's company and, of course, good food and drink. Our upcoming meeting schedule appears at the end of this newsletter and the full year meeting calendar can be found on our website. I hope to see you soon.

## **A New Year – and a New Look to our Newsletter!**

Notice we have added the Liebling Coat of Arms at the top of the newsletter. Friedrich Eberle, a Lieblinger artist, created the Coat of Arms in 2016. It was given to our Club by his daughter, Waltraut.

Katie Amundsen provided this information about the Liebling Coat of Arms symbols. The double eagle at the top of the Coat of Arms appears on the Official Donauschwaben Coat of Arms, so it means Liebling is a Donauschwaben village. The field of bright Royal Blue symbolizes the color known as "Lieblinger Blue," which was painted on the foundations of many houses in Liebling and appears on the Liebling flag. This blue also appears in the blue aprons worn in the formal Tracht of

the young girls. The church of Liebling is flanked by sheaves of wheat and grape vines, both symbols of Banat, as Liebling was a rich agricultural village. Liebling was founded in 1786, during the third and final Donauschwaben migration from Austria-Hungarian lands.
